

Remarks**I. Specification:**

At page 2, item 2 of the Office Action, the Examiner has objected to the disclosure because of an informality (lack of information). More particularly, in the Related Application section, there is an indication of a copending and cofiled application. However these applications have not been identified.

In response, the Applicant proposes to replace the existing paragraph 0001 with a new paragraph that includes the correct serial number and filing date of the copending and cofiled application.

Accordingly, the Applicant requests that the Examiner pass this application onto allowance.

II. Additional Fees:

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully submitted,

Patrick F. Gonzales
